Subject No. 128
Desai and Nadig Inam Lands.

Summary of discussion.—These were granted for Military services and should not be called "Subsistence grants" which is a term derogatory to the holders thereof.

Reply of Government.—Noted.

Subject No. 129
Revision of assessment after 30 years.

Summary of discussion.—Under Sivappa Naik's Shisth raiyats had either to pay the kandayam of banjar lands in their holding or give up the entire warg. The survey settlement which was introduced to remedy this evil should not be revised after a period of 30 years.

Reply of Government.—Noted.

Subject No. 130
Granting cultivable kharab lands for cultivation.

Summary of discussion.—All kharab lands fit for cultivation should be assessed once for all so that applicants therefor may obtain them promptly and irrespective of objections from ill disposed villagers.

Reply of Government.—Darkhasts as received are enquired into and disposed of. There is no difficulty in getting such lands for cultivation.

Subject No. 131
(a) Simplification of Village Account Form No. 9.

Summary of discussion.—Form No. 9 of village accounts is unnecessarily long and may be abridged so as to embody therein only important information.

(b) Kirdi and Pahani account to be retained permanently.

Summary of discussion.—In the interests of shikmidars, the kirdi and pahani accounts which contain a record of payments made by them and of portions of land cultivated by them may be included in the list of village records to be permanently retained.

(c) Village Account No. 5 to be abolished and No. 10 to be modified.

Summary of discussion.—Village Account No. 5 is superfluous and may well be abolished, the information therein contained being embodied in Village Account No. 10.

Reply of Government.—*(a), (b) & (c).* Noted for consideration.

Subject No. 132
Darkhasts.

Summary of discussion.—*(a)* A time should be fixed for the presentation of darkhasts and no assessment should be levied for the year of grant when saguvali chits are not issued and possession given in time for cultivation.

(b) The reception of darkhasts in April and the prompt disposal of the same, may be ordered so as to admit of the lands concerned being cultivated in proper time.

Reply of Government.—*(a) & (b).* No general order can be passed. The Deputy Commissioners have discretion in the matter.

Subject No. 133
Entry of names of fields or lands in receipt books.

Summary of discussion.—To enable occupied lands being easily identified their names should be inserted in the receipt books as was being done in pattas formerly.

Mr. Nanjunda Rao suggested that stones with numbers may be fixed on the lands.
